E10069

Container type	1000 litre IBC
Number of containers	1
Grid	galvanized
Design	Accessible underneath
Depth, external (mm)	1350
Width, external (mm)	1300
Height, external (mm)	920
Overall load capacity (kg)	2000
Containment volume (l)	1170
Material	Stainless steel
Approval	ÜHP
Model	TCI-F
